

Interior Health

OB-GYN OPPORTUNITIES

The Opportunity

Interior Health is seeking OB-GYNs to join our collegial teams in Kamloops, Cranbrook, Vernon, and Williams Lake across the Southern Interior of British Columbia, Canada. Explore your passions in one of our stunning communities and experience first-hand what makes Interior Health a consistent recipient of the British Columbia Top 100 Employer award. The magnificent array of landscapes that call the interior of the province home include some of the continent's most epic alpine and cross-country skiing networks, award-winning vineyards, and the nation's only semi-arid desert, embordering pristine lakes offering recreation and an escape from the region's warm summer climate.

Interior Health

Interior Health (IH) provides a wide range of integrated health-care programs and services through hospitals, community health centers, residential assisted living facilities, mental health housing, and other community settings. At IH, we strive to create an environment where you enjoy the work you do, your place of work, and the people around you. Everyone plays an important role in the care continuum. Together, we create great workplaces.
