OB-GYN OPPORTUNITY

PERMANENT POSITION

WILLIAMS LAKE, BRITISH COLUMBIA

Join us for a locum or join us in practice!

We are looking for a full-time OB-GYN to join our team in July 2023, replacing a long-time OB-GYN retiring after an extensive and fulfilling career at Cariboo Memorial Hospital.

We practice general OB-GYN with 1:3 home call and a consultant OB model. Our in-hospital office offers low overheads and a modern EMR. We have ample and equal OR time and are able to serve our patients well as a result.

Our group is complemented by on-site Family Medicine, Midwifery, Pediatrics, General Surgery, Internal Medicine and Anesthesia. We have visiting Urology, Orthopedics, ENT and Ophthalmology. Our OB team is up to date with more OB. Renovations to the hospital are planned and anticipated to be completed in 2026, including a brand new ER, in-patient units and L&D.

The remuneration for this position is fee-for service plus on-call (MOCAP). Rural incentives apply and please ask us for details.

Come for a visit or a locum to check us out so you can see what we have to offer! We are rural but not isolated.
