Together, the team provides compassionate, high quality patient care to more than 45,000 emergency patients and 6,000 inpatients annually.

RMH offers a wide variety of acute and continuing care services, including a 24/7 emergency department, obstetrics, orthopedics and ophthalmology, outpatient dialysis, a Schedule 1 mental health program, restorative seniors care, rehabilitation and palliative care, a progressive health promotion program for chronic disease management and a full range of diagnostic imaging including MRI.

Committed to best practices and integrated services, RMH delivers comprehensive level 1B OB services focused on low-risk, healthy pregnancies and newborns. There are 250 to 350 deliveries per year at the unit which has six large, fully equipped private birthing suites.

RMH is seeking two Obstetrician/Gynecologists to join their dedicated group of Maternal Child Health practitioners. The team consists of one Obstetrician/Gynecologist, six Family Medicine Obstetric Practitioners, four midwives, and several regular locum Obstetrician/Gynecologists to assist the team with call to achieve work life balance.
