

OB/GYN Opportunity at our State-of-the-Art Facility in Bangor, Maine | Robotics Program

Northern Light Eastern Maine Medical Center has an exciting opportunity to join our established and growing Women's Health practice. Our team includes nine physicians, two certified nurse midwives, two nurse practitioners and exceptional support staff. We provide routine and high-risk OB/GYN services and surgery and work closely with MFM specialists caring for high-risk OB referrals. We also provide consultation services for the Northern Light Family Medicine Residency Program. We are a Center of Excellence in Robotic Surgery, and our robotic-assisted surgery program is strongly supported by the hospital.

Our modern facilities include a Women & Infants unit with 25 private patient rooms, 6 labor and delivery suites and two state-of-the-art OB/GYN surgical suites. Our outpatient office is located on the hospital campus allowing for efficient workflow between the office, ORs and Labor & Delivery.

Why Northern Light Health?

We are a 411-bed regional tertiary care and ACS-verified Level II trauma center servicing a patient population of 500,000 living in the northern two-thirds of Maine. We are part of the not-for-profit Northern Light Health, a progressive and growing regional healthcare organization ranked in the top 100 integrated health systems by IMS.

Physicians at Northern Light Health enjoy:

- A robust compensation and benefits package including Paid Time Off and CME allowance
- Student Loan Reimbursement programs
- Relocation and sign-on bonuses
- Flexible schedules and exceptional work/life balance
- Teaching and research opportunities, if desired

About Bangor, Maine

Bangor is a vibrant small city within a close commute to miles of beautiful coastline. You'll enjoy easy access to lakes, mountains and many state parks including the easily accessible Acadia National Park. Public schools rank among New England's best with the flagship campus of the University of Maine located in the neighboring town of Orono, home to the Black Bears ice hockey team. Bangor serves as the regional hub for medicine, commerce, and the arts. Enjoy our talented Bangor Symphony Orchestra, one of the oldest continuous operating orchestras in the US and our entertaining Penobscot theater group. Bangor International Airport offers direct and one-stop service to most major destinations.
